HAZARD

May be harmful if swallowed. May cause allergy or asthma symptoms or breathing difficulties if inhaled. Causes skin and eye irritation. May cause an allergic skin reaction. May cause damage to organs through prolonged or repeated exposure. Toxic to aquatic life with long lasting effects.

PREVENTION

Keep out of reach of children. Read label before use. Read safety data sheet before use. Do not breathe vapours/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. Wear protective gloves, protective clothing and eye/face protection. In case of inadequate ventilation wear respiratory protection.

RESPONSE

If medical advice is needed, have product container or label at hand. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately dilute with 1 glass of water or milk. Call a POISON CENTRE or doctor if you feel unwell. IF ON SKIN (or hair): Wash with plenty of soap and water. Immediately remove all contaminated clothing. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation or discomfort persists call a POISON CENTRE or doctor. Absorb spillage to prevent material damage.

STORAGE

Store locked up.

DISPOSAL

Dispose of product or empty containers safely. Avoid contamination of any water supply with product or empty container. Triple rinse containers when empty. Add rinsings to use solutions. Recycle empty container though Agrecovery (0800 247 326, www.agrecovery.co.nz).
