

# BLACK STRAP MOLASSES

Liquid energy supplement  
For animal feed supplement only

## BLACK STRAP MOLASSES

Liquid energy supplement.  
For animal feed supplement only.

### DIRECTIONS FOR USE

Molasses should be made available to livestock at the following rates:

#### CATTLE

Dry dairy cows - 400mL per day  
Lactating dairy cows - 300-700mL per day  
Adult beef cows - 300mL per day  
Calves and heifers - 50-300mL per day

#### SHEEP, GOATS and DEER

Lactating or heavily pregnant - 50-100mL per day

#### OTHER STOCK

30-50mL per day  
Molasses can be poured over the cut side of a bale of hay to improve its palatability.  
Not certified to USDA NOP & COR

### TYPICAL COMPOSITION

*(This is a natural product and actual results may vary)*

ME est (MJ of ME per kg)	12
	g/kg
Dry Matter	760
Soluble sugars	510
Calcium	8
Crude Protein	69
Magnesium	4
Nitrogen	11
Phosphorous	0.6
Potassium	38
Sodium	0.4
Sulphur	3
	mg/kg
Cobalt	1
Copper	4
Iodine	0.5
Iron	120
Manganese	69
Zinc	11
DCAD	226
