NET 190 g / 320 mL  
Shake well before use

## FLEECE MARK

### DIRECTIONS FOR USE

For animal treatment only. Hold can upright and spray from approximately 15cm for no more than 1 second. Apply only to the head or tail of the animal. Excessive applications are to be avoided as they may result in discolouration after scouring.

### HAZARD

**DANGER:** Extremely flammable aerosol. May cause damage to organs through prolonged or repeated exposure. May cause drowsiness or dizziness. Causes mild skin irritation. Risk of explosion if heated under confinement. **BEWARE:** Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal.

### PREVENTION

Keep out of reach of children. Read label before use. Keep container away from open flame and hot surfaces - no smoking. Do not spray on open flame or other ignition source. Pressurised container: Do not pierce or burn, even when empty. Do not breathe spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves, and eye/face protection.

### RESPONSE

If skin irritation occurs, get medical attention. If medical attention is needed, have product container or label at hand. If Inhaled: Call a Poison Information Centre (0800 764 766) or doctor if you feel unwell.

### STORAGE

Store locked up in a well ventilated place and protect from sunlight. Do not expose to temperatures exceeding 50°C.

### DISPOSAL

Recycle empty containers if possible, or dispose to waste in accordance with local regulations. Avoid contamination of any water supply with product or empty container.
