KEEP OUT OF REACH OF CHILDREN

# KONCRETE KLEANER

Contains Benzalkonium Chloride

For the removal of bacteria and  
algae on concrete surfaces

ACUTELY TOXIC SUBSTANCE, SKIN CORROSIVE; EYE CORROSIVE, VERY ECOTOXIC IN THE AQUATIC ENVIRONMENT. EPA APPROVAL CODE: HSR002526, CLEANING PRODUCTS (CORROSIVE) GROUP STANDARD 2020. UN NO: 3265; HAZCHEM CODE 2X; PACKING GROUP II.

# KONCRETE KLEANER

To assist in the removal of bacterial and algae build-ups on concrete surfaces such as farm dairies, concrete block walls, paths and driveways.

## DIRECTIONS FOR USE

Simply apply to concrete surfaces at the recommended dilution rate of 1:5 using a watering can, knapsack or similar type applicator. Leave for 12-24 hours without washing or rinsing. Once applied, Koncrete Kleaner is absorbed into the concrete surface giving up to two months protection against bacteria and algae build-up. Improvements in the appearance of the concrete will be noticeable within 10-12 days from initial application.

DO NOT use on painted, stamped, sealed or coloured concrete surfaces.

Avoid contact with desirable plants and trees.

4545-005

## HAZARD

Harmful if swallowed, inhaled, or in contact with the skin. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause damage to organs through prolonged or repeated exposure. Causes severe skin burns and eye damage. Toxic to aquatic life with long lasting effects. Harmful to animals.

## PREVENTION

Keep only in original container. Do not breathe vapours/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves, protective clothing and eye/face protection.

## RESPONSE

If medical advice is needed, have product container or label at hand. IF SWALLOWED: Call a POISON CENTRE or doctor if you feel unwell. Rinse mouth. Do NOT induce vomiting. Immediately dilute with a glass of water or milk. IF ON SKIN: Wash with plenty of soap and water. Remove all contaminated clothing. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately seek medical attention. If experiencing respiratory symptoms, seek medical attention. If skin irritation or rash occurs, seek medical attention.

## STORAGE

Store locked up. Store in a corrosion-resistant container.

## DISPOSAL

Dispose of product or empty containers safely. Avoid contamination of any water supply with chemical or empty container. Triple rinse containers when empty. Recycle empty container through Agrecovery (0800 247 326, [www.agrecovery.co.nz](http://www.agrecovery.co.nz)). Do not allow product to enter drains or waterways. Recycle and reuse wherever possible. Dispose of waste product via an approved waste disposal contractor.
