

DANGER
KEEP OUT OF REACH OF CHILDREN

TELL TAIL

Oil based fluorescent
tail paint for detection
of oestrus activity

UN NO. 1263, PAINT, HAZCHEM 3Y 0.1-0.5 METHYL ETHYL KETOXIME

Net Contents 1 Litre

Shake well before use

DIRECTIONS FOR USE

Apply a strip of paint 15 cm long by 5 cm wide forward along the spine from the tail head. Oestrus is indicated by the rubbing or removal of the paint. Reapply as necessary.

DANGER

Flammable liquid and vapour. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. Suspected of damaging fertility or the unborn child. Harmful to aquatic life with long lasting effects.

PREVENTION

Keep out of reach of children. Read label before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. Wear protective gloves, protective clothing, eye protection and face protection. Take action to prevent static discharges. Avoid breathing mist/vapours/spray. Avoid release to the environment. Wash all exposed external body areas thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace.

RESPONSE

If medical advice is needed, have product container or label at hand. If exposed or concerned, get medical advice/attention. **IF SWALLOWED:** Immediately call a doctor or POISON CENTRE on 0800 243 622. Do NOT induce vomiting. **IF ON SKIN:** Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. In case of fire: Use alcohol resistant foam or normal protein foam to extinguish.

STORAGE

Store locked up. Store in a well-ventilated place. Keep cool.

DISPOSAL

Dispose of product or empty containers safely in accordance with local regulations. Avoid contamination of any water supply with product or empty container.
